MSc European Studies (Research) at Maastricht University
2-Year Multidisciplinary Programme

***Best European Studies Master in the Netherlands (Keuzegids 2018)***

Programme features

- Advanced academic studies of European politics and policies that combine political science with international relations, history and sociology.
- Tailored training for a career that requires strong research skills, such as in a think tank or in academia, or jobs in politics and journalism.
- Skills modules on how to publish your own research and apply for funding and research positions.

Year 1

- Choice of specialisations:
  - Governance and Representation in Europe or Europe and the World or Historicising European Union.
  - Qualitative or Quantitative Research Competences.

Year 2

- Choice of graduation packages:
  - **Double Degree Option**: Spend the second year at Cologne University, Germany.
  - **Study Abroad Option**: Spend the first semester of the second year at one of our exchange universities (Mannheim University, Germany; Sciences Po Grenoble, France; Hitotsubashi University Tokyo, Japan; University of Portsmouth, UK).
  - **Internship Option**: Spend up to five months in the second year pursuing an internship with one of our professors at the Faculty of Arts and Social Science or choose your own internship, for example at a think tank, EU institution or NGO in Brussels.

Unique features

- A small, close-knit community of students and researchers (average intake 12-15 students p/a)
- Over 90% international students
- Awarded 'Top Rated Programme' label (Keuzegids 2017 & 2018)
- Top-rated academic staff (Keuzegids 2017 & 2018)

Scholarships

Scholarships are available towards tuition, maintenance, study abroad and internships.

Criteria for acceptance

- Bachelor's degree in: European Studies, Social or Political Science, History, Economics, International Relations, Law, or a similar field.
- Strong academic abilities, commitment and a keen interest to pursue research in the field of European studies.
- Command of English (language of instruction).

'I have greatly benefited from the master’s programme in my day-to-day work. I would absolutely choose this programme again, and can recommend it to anyone who is interested in analysing European politics and society.'

Alex Hoppe, Germany

'The Master broadens your knowledge of European politics and policies and of new research methodologies. This enables you to think outside of the box, not only when writing your individual research project.'

Dorina Baltag, Moldova
